PRINCIPAL'S MESSAGE

This evening students and dads from Years 3 & 4 will be enjoying their special games and dinner program. A huge thank you to the Benevolent Society for supporting this great program.

Next Tuesday parents are invited to meet with their child's teacher to discuss and collect the Semester 1 reports. This is an important opportunity to celebrate with your child their achievements in the first half of the year. Please make sure you have returned your request slip to ensure you receive your interview time.

We receive a number of compliments from the broader community on the way our students present outside the school. This is always very pleasing to hear. Key to these compliments is the high standard of uniform that our students wear. This is strongly supported by our P&C and parents. To further enhance our uniform the Uniform Committee now stocks school coloured scarves \$5, beanies \$5, gloves \$5 and Hijab \$5. There is also Raincoats \$5 and Umbrellas \$4 available at the uniform shop. This now means all aspects of school attire are to be only school colours. These new items are quite inexpensive. Thank you to our fabulous Uniform Committee.

Congratulations to our Year 4 & 5 girls who attended the Bankstown Girls High School Gifted and Talented program yesterday. This gave the girls an insight into high school life and some exciting learning challenges.

Mrs. Eggins

Juniors and Seniors played Bass Hill at Deverall Park last Friday and all the girls played well.

Last Friday the Rugby League teams played in a Round Robin with three other schools. This was a really enjoyable event at Roberts Park. Our Seniors were able to manage a draw in one match. They were well served by Dean, Walid and Moustafa. Amir made a fabulous try saving tackle assist in one match.

The Juniors worked hard in all the games. Adam N made a great impact with the ball. Our team was able to hold possession of the ball far better than in previous matches.

MASTERCHEFS AT BANKSIA ROAD

On Monday the 17th June classes 5K (Miss Mikellides) and 6N (Mrs Norman) used the portable kitchens to make authentic Chinese food. Stage 3 classes have been learning about China in H.S.I.E, and to further develop students' knowledge about Chinese food, they were given the opportunity to prepare and eat the food. Students made tasty spring rolls and fried rice with the help of their teachers and parent helper Mrs. Kateeb. It was both exciting and refreshing to be able to learn in a different environment. Both classes did very well and produced outstanding food.
