CANBERRA YEAR 6 EXCURSION

On Friday 1st December sixty-two of our Year 6 students, accompanied by Mr Attia, Mrs Arabi, Mrs Dewildt, Mrs Katsionis, Mrs Mavrodīs and Mr Perrett, travelled to Canberra on an educational excursion. The excursion took in visits to the Australian War Memorial, the National Electoral Education Centre (old Parliament House), Parliament House and the National Science and Technology Centre (Questacon).

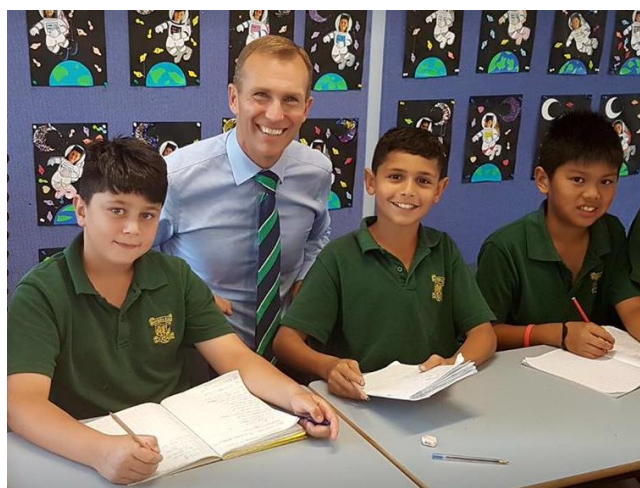

Friday was a wonderful day of learning and was enjoyed by all participating students and staff. Our students represented Banksia Road admirably. The Australian Government recognises the importance of all young Australians being able to visit their national capital as part of their civics and citizenship education. To assist our parents in meeting the travel costs of the excursion, the Australian Government contributed \$20 per student under the Parliament and Civics Education Rebate program.

We would like to thank the Australian Government for their support of this program. Our students will long remember their day attending some of our nation's most significant institutions.
