## THREE WAY GOAL SETTING INTERVIEWS

Parent attendance at Semester 2 Three Way Goal setting interviews was 62%. This is a drop from 71% in Semester 1. I can only assume that parents have regular contact with their child's classroom teacher and may have previously discussed learning goals. One statistic which is concerning from Stage 3 is the drop in parent attendance from Semester 1 to 2 which was 60% down to 46%.

The sun was shining bright at Taronga Zoo last Thursday! It was a big day of animal spotting and learning. Some of the highlights were seeing giraffes, lions, gorillas and elephants. We also got to pat a ringtail possum, a blue tongue lizard and a snake at Backyard to Bush. We also learnt a great deal about the need to protect and conserve habitats for our native animals.
