Banksia Bravo Term 2, Week 8 update

Welcome to the Term 2 Banksia Bravo Update! From Infants to Primary, the Banksia Bravo whole school approach to a positive reward system continues to motivate BRPS students to make safe, respectful behaviour choices as PAX learners and leaders.

The Banksia Bravo winners are drawn out and announced every Monday morning. In week 2 (Beginning of the school term), week 6 (Student Well being week) and week 10 (end of school term), students are rewarded with prize vouchers.

All other weeks, the Banksia Bravo winners are rewarded with canteen vouchers. This system ensures that both reward types (Canteen and Prize vouchers) are utilised throughout the school term to create a variety for the students.

It's great to see pictures of Banksia Bravo winners posted on School Face Book and School Dojos in recognition of their efforts for following PBL expectations.

Your parental support is much appreciated!
The Banksia Bravos, the Banksia way.
Ms Fallah.

Public Speaking Club Term 2, Week 8 Update

Welcome to the Public Speaking Club Term 2 update! Our Public Speaking club members find joy in participating in the Public Speaking games and activities on a weekly basis. They have become confident speakers and they have improved in their general Public Speaking skills throughout the first half of the year.

The Public Speaking Club members have been involved in both small debates about relatable topics and short impromptu speeches on topics they enjoy.

During small debates, the students have been working in teams to gather ideas together and express their thoughts and opinions on a given topic they can connect with.

During short impromptu speeches, the Public Speaking Club members are consistently learning to refine their skills and abilities in using appropriate volume, stance and eye contact while speaking to their listeners.

A very well done to our Public Speaking Club members for their efforts and positive attitude!

Thank you for your parental support,
Ms Fallah, Ms El- Afchal and Mrs Hanna.

Deputy Principal

School Community Charter

Collaborative. Respectful. Communication.

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.

We treat each other with **respect**

What our schools provide

NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

The best education happens when parents and schools work together.

The School Community Charter aligns with Our Plan for NSW Public Education.

Positive environments

It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- To be welcomed into our schools to work in partnership to promote student learning.
- Communication from school staff will be timely, polite and informative.
- Professional relationships with school staff are based on transparency, honesty and mutual respect.
- To be treated fairly. Tolerance and understanding are promoted as we respect diversity.

We **prioritise** the wellbeing of all students and staff

Unsafe behaviour is not acceptable in our schools

We work **together** with the school

Ensuring respectful learning environments for all members of NSW Public Schools communities.

We create

We

We work

learning

Communicating with our schools

Our staff will find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

Our schools and communities will make sure that written communication is appropriate, fair and easy to read. We encourage you to use email and social media appropriately to connect with your school and stay up-to-date with up-coming events in the school community.

Our guide for parents, carers and students provides useful information about the complaints process:

education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students

Respectful communication is a right

In all workplaces people have the right to feel respected. Unacceptable and offensive behaviour has no place in our school communities.

To ensure the wellbeing of students, staff and the community in our schools, steps will be taken to address unacceptable behaviour. This may include restricting contact with the school community or, in more serious cases, referral to NSW Police.

Unacceptable behaviour may include but is not limited to:

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity.
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability.
- Inappropriate and time wasting communication.
